- 12.4 a **Member** shall provide such information as the **Society** may reasonably require to enable the **Society** to determine whether or not a **Member** meets the conditions of Rule D12.1 and D12.2 and shall include original documentary evidence providing proof of the day to day address at which the **Member** is sleeping, tax assessments for the previous 2 years before the date of any claim, the address of the **Member's** then current **Doctor** and bank account through which day to day living expenses are paid;
- 12.5 in the event that no verifiable medical treatment is available for the **Disabling Condition** within the **UK** the **Society** may, at its sole discretion, permit the payment of **Benefit** during the course of the medical treatment outside the **UK**

PART E - Severe Injury Cover

- 1 A **Member** holding a **Deferred Contract** may elect to take **Severe Injury Cover** in order to claim **Injury Benefit** in respect of a specified **Injury Condition**, as detailed in the **Premium Tables**, by completing the **Prescribed Form** and subject to acceptance by the **Society** of such **Member** to **Severe Injury Cover**. For the avoidance of doubt multiple injuries will be treated as a single condition
- 2 On acceptance to **Severe Injury Cover** a **Member** shall be required to pay **Premiums** at the rate published in the **Premium Tables** adopted by the **Society** from time to time under which the **Member** is contributing for the relevant **Deferred Period** applicable to their **Contract** with the **Society** on the same basis as that set out in Rule C2
- 3 In the event of an **Injury Condition** a **Member** who is entitled to claim **Injury Benefit** shall follow the same procedure for claim as set down in Rule D2. To be eligible to receive **Injury Benefit** a **Member** must satisfy the **Injury Condition**
- 4 **Severe Injury Cover** shall only apply up to the maximum **Maturity Date** permitted in the **Premium Tables** of the **Society** for the **Member's** declared **Occupation**. - 7 **Injury Benefit** shall only apply to the **Deferred Period** and is calculated in accordance with Rule B3.3 and is payable in accordance with Rule D3. For the avoidance of doubt any entitlement to **Injury Benefit** shall only arise where the **Member** would have been entitled to receive **Health Benefit** had it not been for the fact that the **Member** holds a **Contract** with a **Deferred Period**

- 9 Where a **Member**, who has made a claim under the **Severe Injury Cover Option**, returns to work and subsequently requires further time off work for a medical procedure which, in the opinion of the **Society's Medical Advisor**, is as a direct result of the initial injury and the **Member** continues to satisfy the **Disabling** definition that **Member** shall again have their claim considered from **Day 1** subject to Rules E3 and E5, provided always this occurs within 52 weeks of the initial claim for **Severe Injury Cover**
- 10 A **Member** may cancel the **Severe Injury Cover** by giving written notice to the **Society**. Entitlement to **Injury Benefit** under this **Option** shall cease immediately upon receipt of such notice by the **Society**

 - 3.4 in the event of a fall in the index, the **Society** shall have the right to reduce the **Health Benefit** of the **Member** accordingly
- 4 In the event of an increase in the Index occurring in the 12 month period ending on 30 September in the year immediately preceding the review date (the anniversary of the commencement of the **Contract**) the **Health Benefit** of the **Member** shall be increased by the level of that increase provided that such increase shall be subject to the limits prescribed in Rule F3.1

- 5 Where a **Member**, who ceases to be entitled to **Recovery Benefit**, submits a new claim for **Health Benefit** or **Injury Benefit** which, in the opinion of the **Society**, is submitted with the sole intention of avoiding cessation of benefit payment, the **Society** shall be entitled to reject the new claim
