

IT STARTS WITH A CONVERSATION

Did you know that only 8% of 3,000 UK working adults have income protection in place?¹ Here's some facts highlighting why it matters, along with tips to help you start the income protection conversation.

The average weekly salary in the UK is **£766.60**². With just **£118.75**³ a week in SSP, your client could have a shortfall of **£647.85** a week.

1 in 5⁴ people currently know someone who is off work with a long-term illness or injury.

1 in 6 (16%)⁵ UK adults have no savings.

40.1 million⁶ estimated working days were lost due to work-related ill health and non-fatal workplace injuries in 2024/25.

CONVERSATION STARTERS

Starting the conversation is easier than you think. Use these conversation starters to help you have relevant, meaningful discussions with your clients.

- ☒ Do you have any sick pay or protection in place?
- ☒ Do you know what support you'd receive if you couldn't work?
- ☒ What would happen to your lifestyle if your income stopped?
- ☒ What would happen to your business if you couldn't work because of illness or injury?
- ☒ If your income stopped tomorrow, how long would you and your family be able to manage financially?
- ☒ Could your household comfortably manage on one income?
- ☒ How would you cover your Direct Debits if your income stopped?

Don't forget, real-life examples will make it easier for your clients to relate to the need for income protection. Check out our Member Case Studies at www.cirencester-friendly.co.uk/about-us/case-studies.
