

MY EXTRA BENEFITS

My Extra Benefits is a range of enhancements that new and existing Members can add on to their income protection contracts.

There's different options that your clients can choose from. For **£11** a month, they can take out **Fracture & Hospitalisation Benefit** and **Immediate Death Benefit**. Alternatively, Fracture & Hospitalisation Benefit costs **£6** a month and Immediate Death Benefit costs **£5** a month.

Fracture & Hospitalisation Benefit

Our Fracture Benefit provides a **£1,500** lump sum if your client suffers a fracture of one of the named bones included in the cover (see Henry the Skeleton overleaf for bones covered). The benefit is paid regardless of any income protection benefit received. This benefit is subject to one claim in any 12-month period and limited to one claim per accident/incident.

After three consecutive nights in a UK hospital, we'll provide Hospitalisation Benefit of **£50** per night, backdated to the first night's stay – regardless of any income protection benefit received. This is limited to 21 nights in any 12-month period.

Immediate Death Benefit

Our Immediate Death Benefit provides a lump sum of **£7,500** that's paid on death during working life. This cover ceases on your client's 70th birthday, or their selected retirement age.
