

HEALTH & WEALTH PRODUCT SUMMARY

Our Health & Wealth contract is closed to new business. However, if you have an existing Health & Wealth contract, it can be amended to ensure it continues to suit your needs.

If your circumstances have changed, we recommend that you review your contract with your Financial Adviser. If you don't have a Financial Adviser, please visit www.unbiased.co.uk.

SUMMARY OF OUR HEALTH & WEALTH PRODUCT

This is a condensed version of the features and rules governing your Health & Wealth contract. For full details, please refer to the Health & Wealth Schedule 1 Rules.

Health & Wealth allows you to insure a part of your earnings if you're unable to work due to illness or injury. As a result, if your earnings go down or stop, you'll be able to claim benefit (subject to the claim criteria). Health & Wealth also includes the ability to participate in our bonuses and to build up a capital balance.

CONTRACT FEATURES

You can insure up to 75% of your gross taxable earnings. Your weekly benefit is based on the number of shares you take out. A share is a unit allocated by the Society on which contributions and benefits are based. The maximum benefit available is £240 per week (400 shares).

You're covered from the first day if you're unable to work due to illness or injury.

Your contract is designed to be long term in nature and includes the ability to participate in our bonuses and to build up a capital balance which, under current legislation, is payable to you tax-free when you reach the natural end of your contract.

ADDITIONAL FEATURES INCLUDED IN YOUR CONTRACT

Following a period of claim, if your incapacity means that you're permanently unable to work, we can pay you reduced benefit in addition to what you could earn from any work you might be able to perform.

Subject to certain conditions, you may make a withdrawal from your capital balance.

MATURITY OF YOUR CONTRACT

There are a variety of different options available to you when it comes to the maturity of your contract. For more information, please contact our Member Services Team on **0800 587 5098** or memberservices@cirencester-friendly.co.uk.

CLAIMING ON YOUR CONTRACT

You'll be entitled to claim benefit if you're unable to work due to illness or injury in your usual or any alternative occupation. This is called an Any Occupation definition.

You must continue to pay your premiums even when in claim, so your contract and other benefit entitlement is maintained.
