

# CHILDREN'S CRITICAL ILLNESS SUPPORT FACTSHEET

## WHAT IS CHILDREN'S CRITICAL ILLNESS SUPPORT?

Children's Critical Illness Support is designed to provide a monetary lump sum of £2,500 if your child is diagnosed with one of the ten listed critical illnesses. It's available to all existing and new Members of the Society and is limited to one claim per Member and available until retirement or the contract ceases.

It's a free benefit and offered to all Members that hold an income protection contract with the Society. It's a discretionary benefit which the Society can withdraw at any time.

## CRITICAL ILLNESSES\*

- Bacterial Meningitis
- Benign Brain Tumour
- Cancer
- Heart Valve Replacement or Repair
- Kidney Failure
- Loss of Hand or Foot
- Major Organ Transplant
- Open Heart Surgery
- Third Degree Burns
- Traumatic Brain Injury
